Women's Healthcare of Clarion "I Love Clarion" Great Success

The Clarion Area Chamber of Business and Industry is pleased to announce that Women's Healthcare of Clarion "I Love Clarion" was a great success. The weather was beautiful as community members enjoyed country favorites performed by The Wrangler Band and indulged in concessions and activities provided by the area's local nonprofit groups.

"I Love Clarion" would not be what it is without the support of our sponsors. As a first year sponsor we thank Women's Healthcare of Clarion for adding to the day by passing out balloons and giving away a free prize basket that went to John Crowley of Toledo, OH. We also thank supporting sponsor Pennsylvania American Water and major sponsor Clarion University.

Included in the celebration was a raffle benefitting the fireworks in which Tara Zechman took home the grand prize of \$500. In second place, receiving \$400, was Doug Harris. The third place winner of \$300 was Kathy Gatto and Larry McFadden received \$200 for his fourth place win. Last but not least, Lavron Day took home \$100. The winner of the 50/50 raffle was Ken Reddinger.

Also during the event Community Action Senior Corp and the U.S. Army collected donations to send overseas. Many useful items were collected to be sent to our troops as well as monetary donations to help cover the cost of shipping. If you would still like to donate please contact the Chamber office at 814-226-9161. Thank you for supporting our men and women overseas.

The grand finale of the night was a fantastic fireworks display by Cartwright Fireworks. The fireworks lit up the sky as our community celebrated our nation's independence together.

The Clarion Area Chamber of Business and Industry would like to thank all of the donors, volunteers and participants who helped make this event possible. We look forward to many more celebrations.
