

Now there's care that keeps up with your employees — wherever they go.

Introducing Telemedicine from MeMD.™

Injuries. Illnesses. They can mean absenteeism— or worse, presenteeism. And they can impact the productivity of your organization. But now there's care that saves your employees time, and reduces your bottom line. Meet MeMD™...brought to you by Aflac.

With MeMD telemedicine service, your employees can connect to a board-certified, U.S.-licensed medical provider from almost any location. Day and night. Weekends and holidays. All using their phone or computer.

REDUCED ABSENTEEISM
No more missing work just to go to the doctor.

FOR THE FAMILY
Employees, their spouses & their children can use telemedicine services.

ACCESS TO CARE
With easy access to care, your employees make the most of their time.

To learn more about putting MeMD™ to work for your employees, talk to your Aflac agent today!

*In some states, a webcam is required to receive a prescription. When medically necessary, MeMD providers can submit a prescription electronically for purchase and pick-up at your local participating pharmacy; however, MeMD providers cannot prescribe elective medications, narcotic pain relievers, or controlled substances. MeMD's providers are each licensed by the appropriate licensing board for the state in which they are providing services and all have prescriptive authority for each of the states in which they are licensed.

Aflac has entered into a marketing alliance with MeMD whereby MeMD may provide one year of complimentary telemedicine services from MeMD to individuals who are employees of accounts that choose to make MeMD available to them. Other than this marketing alliance, Aflac and MeMD are not affiliated in any way. Aflac makes no representations or warranties regarding MeMD's products or services, and is not responsible for any products or services provided by MeMD. The one year of complimentary telemedicine services provided by MeMD is not available to employees of Aflac accounts located in ID, MN, MO or NY. Telemedicine services are not available to residents of ID or MN. Additional state restrictions may apply and benefits may vary by state. Customers will be responsible for a \$25 visit fee at time of each telemedicine visit.

Aflac herein means American Family Life Assurance Company of Columbus and American Family Life Assurance Company of New York.

How it helps your employees:

For just \$25 per visit, they'll get a confidential diagnosis, along with a personalized treatment plan, including prescriptions* for common medications. MeMD is recommended for:

Abrasions, bruises, minor headaches, arthritic pains

Allergies, hives, skin infections, bites and stings

Colds, fever, sore throat, cough, congestion

Diarrhea, vomiting, nausea, urinary tract infections

Eye infections, conjunctivitis, body ache

Medication refills (short-term)* and more
